Notes to Editors:

Byotrol plc (BYOT.L), quoted on AIM, is a leading microbial technology hygiene company, operating globally in the Health, Food, Leisure, Consumer, Industrial and Agriculture sectors, providing a low toxicity product with a broad-based and long lasting efficacy across all microbial classes; bacteria, viruses, fungi, moulds, microbacteria and algae.

The Byotrol product can be used as a stand alone product or as a complementary biocide additive to existing products to improve their performance in personal hygiene, domestic and industrial disinfection, odour control, food production and food management.

Founded in 2005, the Company has prioritised the development of a technology that creates easier, safer and cleaner lives through partnering with providers of essential goods and services. Byotrol is the catalyst behind the aptly named global 'Hygiene Revolution'.
