Notes to Editors:

Byotrol plc (BYOT.L), quoted on AIM, is a leading anti -microbial technology hygiene company, operating globally in the Health, Food, Leisure, Consumer, Industrial and Agriculture sectors, providing a low toxicity product with a broad-based and long lasting efficacy across all microbial classes; bacteria, viruses, fungi, moulds, mycobacteria and algae.

The Byotrol technology is available for use as a stand alone, Byotrol branded, product or as a complementary ingredient additive to existing products and leads to improved performance in personal hygiene, domestic and industrial disinfection, odour control, safe food production and food management.

Founded in 2005, the Company has prioritised the development of a technology that creates easier, safer and cleaner lives through partnering with providers of essential goods and services. Byotrol is the catalyst behind the aptly named global 'Hygiene Revolution'.
